Next Step Foot & Ankle Clinic Financial Policy and Privacy Policy

Thank you for choosing our office to provide your foot and ankle care. We strive to make our payment policy as clear as possible for our patients. The medical services provided by our offices are services you have elected to receive, which implies a financial responsibility on your part.

INSURANCE: Next Step Foot & Ankle Clinic (NSFAC) does not participate in all insurance networks; our in-network list is available on our website. Claims will be submitted electronically to your insurance provider. It is our policy to verify your insurance benefits to give our best estimate of what your portion will be. **We will collect payment for copays, unmet deductibles, coinsurances, and balances that apply at the time of service.** *Your insurance company may need you to supply certain information to them directly. It is your responsibility to get this information to them in a timely manner. Claim balances become patient responsibility if insurance requests are ignored.* Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays on your claim. Your insurance benefit is a contract between you and your insurance company.

MEDICARE: We are a participating Medicare provider. We will bill Medicare and any secondary policy. However, that does not mean that all services are covered. Non-covered services will be identified as such, and you will have the choice to receive or not receive these services. You are responsible for paying your annual Medicare deductible. You are also responsible for any coinsurance, which is 20% of the Medicare allowed amount for an item or service. We do not participate in all Medicare replacement plans.

SECONDARY & TERTIARY INSURANCE: Your medical claim will be forwarded to your secondary insurance after payment or explanation of benefits (EOB) is received from your primary insurance. We do not bill your tertiary insurance.

SELF-PAY: Payment in full is due at the time of service if you do not have health insurance, and for items not covered by insurance. We accept cash, money orders, check, Visa, MasterCard, Discover, and Care Credit. A **$35 fee** will be assessed for all bad checks.

NON-COVERED SERVICES: Please be aware that some of the services you receive may not be covered or may not be considered reasonable/customary/necessary by Medicare or other insurers. You are responsible for payment for those services.

REFERRALS/AUTHORIZATIONS: We do not require a referral to be seen UNLESS required by your insurance plan. If you arrive for an appointment and the necessary referral or authorization is not in place, you will be given the option to reschedule or pay for those services at the time they are given. We will do all we can to help you get these in place, but ultimately it is your responsibility to understand your plan's referral/authorization requirements. NSFAC may refer patients to other providers, facilities and labs. We are not responsible for these entities. The patient should contact these outside service providers, facilities or labs directly regarding any billing questions.

BILLING: Patients will be sent statements at the end of the month, showing any charges, payments you have made, what your insurance company has paid on your behalf, any amounts that we have adjusted off due to our contract with your insurance company, and what your remaining financial responsibility is. Please contact our billing office immediately upon discovering any error or if you are unable to make payment. ***We realize that temporary financial problems may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance in managing your account.*** Payment arrangements will be agreed upon in writing. The third billing statement for all patients is considered **Final Notice**, and if no payment is received on your account, you will receive a letter requesting immediate payment and/or asked to set up a payment plan with us. A **rebilling charge of $25.00 per month** will be assessed all accounts after the second statement. Please be aware that if a balance remains unpaid after the fourth billing statement, we may refer your account to collections and/or small claims court and you may be discharged from this practice. In case of defaulted Payment Plan Contracts, you agree to pay any fees and costs incurred while collecting the balance on the amount owed. If this is to occur, you will be notified by regular and certified mail

that you have 30 days to find alternative podiatric care. During that 30-day period, our physician will only be able to treat you on an emergency basis.

REFUNDS/RETURNS: Only unworn and non-custom items are returnable within **14 days** of receipt, if no visible signs of wear, tear, or odor. Custom items are tailored to meet individual needs; custom items are non-returnable, non-refundable. NSFAC issues patient refunds in the original tender within **30 days** of a completed investigation of the potential overpayment, as long as other outstanding accounts are resolved.

MEDICAL RECORDS: You may access your medical records at no charge by using our secure patient portal. There will be a **$25 fee** for completion of disability / FMLA forms.

MISSED APPOINTMENTS: A **$25 fee** will apply for appointments broken or cancelled without 24 hours advanced notice.
